

2025 FEE SCHEDULE

Randwick Physie charges its members a term fee for two classes per week (as outlined below). Invoices must be paid within 14 days of receipt, otherwise a late charge of \$10 will apply. If you have any questions or concerns about paying your invoice, please contact our Treasurer via randwickphysie@gmail.com.

Both the APDA Registration Fee (paid direct to APDA via the RevSport portal) and the Randwick Registration Fee (invoiced direct from Randwick) must be completed and paid by the third week of Term One (or as soon as your trial week is complete). This is to ensure our members are covered by Randwick's insurance policy and that they will have access to the APDA syllabus once available.

Individual competition entry fees will be either invoiced by Randwick (interclubs) or required to be paid directly to APDA via the RevSport portal.
